SWPBS (South Walker Positive Behavior Support)
Parent Letter

Dear Parents,

South Walker Elementary uses a school-wide positive behavior support plan designed to encourage and reward positive behavior. Students can earn rewards monthly as well as every nine weeks by following our school's expectations/rules.

Students can earn Cardinal Cash from teachers, administrators, secretaries, paraprofessionals, cafeteria workers, bus drivers, custodial staff, tutors, and itinerant staff by following our school's expectations/rules. Cardinal Cash can be redeemed on the PBS Day each month. A letter will be sent home during the last week of the month for you and your child to decide how to spend the Cardinal Cash.

In addition to Cardinal Cash, students in grades K-2 who have not received punish work or an office referral and students in grades 3-5 who have not received a second punish work or an office referral during the nine week period, will be allowed to attend a special event at school at the end of that nine week period.

Please discuss and review this plan with your child and encourage him/her to demonstrate positive behavior this year.

Sincerely,
SWE Faculty and Staff

*The administration reserves the right to change the discipline rules according to the operation of the school.

School Attendance

The Louisiana State Legislature, the Louisiana Department of Education, and the Louisiana State Board of Elementary and Secondary Education policy states that students must be in attendance 167 out of 177 days during the school year unless there is an extenuating circumstance. These extenuating circumstances may include:

- Extended leave from school for physical illness
- A hospital stay
- Recuperation from an accident
- A contagious disease in the family
- Death in the family (not to exceed one week)

Appointments (doctor, dentist, therapy, etc.) should be scheduled after school and during holiday breaks. Appointments scheduled during school time result in loss of learning time and are highly discouraged. Vacations will not be excused and should be planned to coincide with school holidays.

Excuses

Absences require an excuse from the doctor or an obituary. If faxed, the doctor's excuse must come directly from the doctor's office. Excuses must be turned in within a week of the absences. Family vacations are considered unexcused absences. Students who are habitually absent, tardy or check out will be reported to the FINS Department and the 21st Judicial Court System.

Missed Assignments

It is a student's responsibility to check with the teacher and/or Google Classroom to receive missed work. Students will need to make up work upon return to school. Students will have the same number of days that they were absent to complete missed work.

Absences and Extra Curricular Events

Students who do not attend school, will not be allowed to attend extracurricular events on that same day. This includes both events held during school and after school on the day of the absence from school.

Attendance Incentives

It is very important that students attend school daily. To encourage attendance, students will be given an incentive of free dress (hat, shirt and shorts/pants) for perfect attendance each month. Additionally, all students with perfect attendance for the entire school year will receive a perfect attendance award on Awards Day.

Any 5th grade student who has perfect attendance for all 6 years at South Walker Elementary School will receive a bike or \$100 gift card for their meritorious attendance. Attendance records of students who transfer to South Walker Elementary will be checked to determine eligibility.

Perfect Attendance refers to students who have no excused or unexcused absences.

Homework

Homework promotes the development of self-discipline, good study habits, a sense of responsibility, mastery of skills, and comprehension of subject content. It is assigned according to the grade, subject, and instructional needs of the student. Providing a place and time for study, letting your child know that homework is his/her job, and you expect it to be done are important ways for parents to be involved in school. Be sure to read with your child daily to ensure that your child is hearing good fluent reading and give your child lots of opportunities to read aloud to you.

A	90 - 100	Outstanding Achievement
B	80 - 89	Good Achievement
C	70 - 79	Satisfactory Achievement
D	60 - 69	Minimum Acceptable Achievement for Passing
F	0 - 59	Does Not Meet Course Requirements

Academic Incentives

All students with straight As, all As and Bs, or all As, Bs and Cs for each of the four nine week grading periods will receive an academic award on Awards Day.

Combined Reading and English (ELA) Grade in PowerSchool

The purpose of grading is to measure a student’s mastery of the Louisiana Student Standards as they apply to the grade in which the student is enrolled. Our students are given standardized tests that are designed to reflect mastery of these standards. Along with the standardized tests, we feel as a district that a student’s grades should show progress in achieving the standards.

In compliance with our state’s course mandates, English Language Arts grades will be “blocked” into one grade. The state of Louisiana mandates the number of instructional minutes a student must have each day in various subject areas. Reading minutes are more than English minutes. It is because of this, and the fact that our grading system combines both subjects into one grade, that you will see a difference in the PowerSchool parent portal grades.

In a 100% grading system, reading grades carry a weight of 60% of the total grade and English grades carry a weight of 40% of the total grade. What does this mean for you as a parent or guardian when reviewing your child’s ELA grade throughout the nine week grading period? You will need to recognize that the total PowerSchool grade contains this weighting. When you review the points possible, a 10/10 in English will not weigh as heavily as a 10/10 in reading.

Audio and Video Recordings

Audio and video recordings are not allowed at South Walker Elementary School due to possible violations of FERPA and HIPPA, both of which regulate and protect the right to privacy for adults and minors. Any audio or video recordings at South Walker Elementary School requires the prior approval of the principal. Please note that this policy does not apply to general assemblies, award ceremonies, and other school sponsored events at South Walker Elementary School.

Breakfast and Lunch

Livingston Parish Public Schools announced an amendment to its policy for serving meals to students under the National School Lunch and School Breakfast Programs for the 2024-2025 school year. Regardless of income, students will be served lunch and breakfast at no charge at all sites.

School Fees

For grades K-5, the total supply fee this year will be \$60.00. (\$30.00 will be used to purchase supplies from list on our website, \$20.00 will be used to purchase student instructional materials, and \$10.00 will be used for technology device upkeep/maintenance.) For PreK, \$25.00 will be used to purchase supplies, and \$10.00 will be used to purchase student instructional materials. The following is a list by grade of what will be purchased using school fees. YOU DO NOT NEED TO PURCHASE THESE ITEMS. The supply fee can be paid by at lpps.schoolcashonline.com You may also pay with a personal check made out to South Walker Elementary or cash. THE PREFERRED METHOD OF PAYMENT IS ONLINE PAYMENT.

Technology

Students use computers as part of their learning. Daily, students are responsible for retrieving a laptop from a laptop cart, carrying it to their desk for use. After use, students are responsible for returning the computer safely to the cart for charging. This year, the school will access a \$10.00 technology fee as part of school supply fee for upkeep/maintenance. Damages to the laptop that are not incidental will be billed to the parent.

Field Trips

1. All field trips are pre-paid. No refunds will be given in the event that you or your child are unable to attend.
2. All school fees/debts must be paid in full to attend school field trips.
3. If a student has frequent behavior referrals, a parent may be requested to accompany the student on the field trip.
4. Students who are suspended on the day of a field trip will not be allowed to attend the field trip.
5. Grade level field trips are for South Walker Elementary Students in that grade and their parents or guardians attending as chaperones. Other children and siblings in other grades are not allowed on field trips.
6. Students will ride the bus to and from all field trips.
7. Only LPPS students and employees are allowed to ride the school bus.

9. Parents chaperoning field trips will refrain from the use of alcohol and tobacco, including vape products, throughout the duration of the field trip.

Lost and Found

Please properly mark all students' belongings with your child's first and last name so that ownership can be easily recognized. A lost and found bin is located at the front of the school campus. We will keep lost items until the end of each semester. All unclaimed items remaining after each semester will be donated to a charitable organization.

Cell Phones and Personal Possessions

Electronic devices (including cell phones, smart watches, iPads, and fitness trackers), trading cards, Pokémon cards, spinners, toys, etc. are not allowed at school or on the school bus. These items will be confiscated by the administration. Additionally, students are not allowed to sell, trade, or buy anything from other students on campus or on the school bus.

Published Photographs and Work

There are many opportunities for South Walker Elementary to publish a student's pictures, interviews, and/or work in local newspapers, journals, school websites, and/or local news stations. Parental permission will be assumed unless specifically denied. It is the responsibility of the parent to go to school in person and sign a form if you want to deny permission.

Child Find

In accordance with the State of Louisiana Child Search Program, annual and ongoing activities are conducted to identify and locate children (ages 3 through 21) suspected of being exceptional and in need of special education and/or related services. If you have a child or know of a child between the ages of 3 and 5 years old who seems to have difficulty learning, help is available. Contact the Livingston Parish Public Schools Child Search Coordinator at (225) 686-7600. If your child is school-aged, contact your home-based school district regarding these concerns .

EMERGENCY PLANNING

A Guide for Parents

LPPS continues to strive to strengthen our emergency management plans on all of our campuses.

<p>What type of drills/training will students participate in?</p> <p>This year, as in the past, each school will perform monthly drills that include: fire, restricted flow, lockdown, severe weather and bus evacuation.</p> <p><i>Fire/Building Evacuation</i> A fire, gas leak or other chemical/biological hazard inside the building that requires building evacuation.</p> <p><i>Restricted Flow</i> This is used for various situations to prevent direct threats/exposures from occurring on our campuses. Examples of use are medical emergency (keeping students out of halls and away from situation), dogs on the playground, suspect search near campus, suspicious noise heard near campus, etc. This procedure allows students to continue learning, but prohibits outside activity and reduces and sometimes prohibits visitors on campus.</p> <p><i>Lockdown</i> Used when there is a probable threat to the campus.</p>	<p>When Lockdown is initiated; teachers and staff will gather students to the closest lockable area and lock all outer doors to that room, turn the lights out and students are instructed to stay quiet. The teacher/staff member stays with the students the entire time. There is no movement by students outside the lockable area until the lockdown has been lifted. Parents and visitors are not allowed to enter a school while it is in lockdown.</p> <p>Who reviews LPPS Emergency Plans? Each school plan is reviewed by the school crisis team, the central office crisis leader, law enforcement, fire and other emergency responders.</p> <p>If there is an evacuation, where will students go? Each school has identified numerous possible alternate locations. Law enforcement, fire and other parish authorities have been advised of these locations, but for security reasons it would be counter-productive to advise of these locations until the actual emergency occurs. In the event that students must be moved to an alternate location, the school board will use the School Messenger System and the LPPS Facebook account to notify parents.</p>	<p>Should I pick up my child at school during an Emergency?</p> <p>We strongly encourage parents NOT to come to the school during an emergency unless directed to do so. While every parent's natural instinct in an emergency is to go to the school to safeguard his/her child, please understand that doing so may significantly alter the school's ability to respond to the situation.</p> <p>In addition, going to the school may interfere with police or other emergency workers whose sole purpose is to assure the safety and well being of students and staff. Vehicles driving to the school, for example, will restrict access of emergency vehicles or school buses that are loading children for evacuation or to take them home. While it may seem logical that every student taken home by a parent reduces the workload of the staff, in a fast-moving situation that requires careful coordination and communication, extra vehicles and visitors to the school actually make the task of keeping track of all students more difficult.</p>

LPPS Student Dress Code

The policy of the Livingston Parish School Board shall be that no mode of attire shall be considered proper for school wear that disrupts the classroom and/or the school's positive learning environment. In questions regarding student dress and grooming, the principal or his/her designee of each school shall make the final decision based on this policy as to what is considered proper or improper dress according to the guidelines provided.

The Livingston Parish School Board is responsible for achieving a systemwide dress code for appearance and dress among students that will promote the best atmosphere for teaching and learning.

NOTIFICATION

The School Board shall notify the parent or guardian of each student of the dress code specifications and their effective date. The dress code shall be distributed in written form or posted on the school's website annually.

If the School Board modifies the existing uniform policy, it shall notify, in writing the parent or guardian of each student of the policy adoption or uniform policy modification at least sixty (60) days prior to the effective date of the new or revised policy. Each school shall display any uniform selected for a reasonable period prior to the proposed effective date for wearing of the uniform.

However, nothing shall prohibit the School Board from requiring a new or revised dress code or uniform policy without the required notice in the event of an emergency. For the purposes of this policy, emergency shall mean an actual or imminent threat to health or safety which may result in loss of life, injury, or property damage.

DRESS AND PERSONAL GROOMING

It is the responsibility of each student to use good judgment regarding appearance and attire. Cleanliness shall be a basic consideration. Any complaint concerning a student's dress and appearance shall be addressed by the particular school's administration. The principal of the particular school shall make the final decision as to what is considered proper attire and appearance. In the event that health and medical considerations for a particular student require an exception to the Dress Code, the principal of the particular school shall determine that exception and make his/her faculty and staff aware of the exception.

The following guidelines have been established regarding all students' dress and appearance:

1. Styles of dress and grooming never should be such that they represent a collective or individual protest.
2. Appropriate footwear must be worn to school (no shower shoes, flip-flops).
3. Caps, hats, unprescribed glasses are not permitted.
4. Patches, decorations, slogans, symbols, tags, marks, or advertisements are prohibited. (Examples: beer, cigarettes, drugs, obscene suggestions, sexual connotations, political, etc.)
5. Earrings are allowed for students provided they are not a safety concern or a distraction on campus.
6. Piercings, other than ears, are not permitted. Clear (concise stud only) pierce hole fillers are allowed for nose rings.
7. Jewelry, including earrings, worn during the school day should be a size and dimension that is not a safety concern or a distraction on campus.
8. Hair should be neat, clean, and out of the student's eyes. Students should have natural hair color. Extreme unnatural colors are not allowed. Sculptured hair styles that include pictures, symbols, letters, numbers, or hair curlers, rollers or excessively teased will not be permitted. Principals have discretion if a hairstyle including accessories interferes with learning.
9. Neatly groomed facial hair is acceptable, including mustaches, beards and goatees.
10. Tattoos that are vulgar, obscene, political, offensive or otherwise disruptive to the school environment are not permitted and must be covered at all times.

<p>Where can I get <u>ACCURATE</u> information during an emergency?</p> <p>The school board will utilize the School Messenger System and the LPPS Facebook page to notify parents of where to go to get information on your student and to be reunited with your student. We will also utilize the media to get information out to our parents.</p> <p>LPPS works in conjunction with LPSO, Livingston Office of Homeland Security and Municipalities during emergency situations. A good source of information from the school board can be found on the Livingston Parish Sheriff's Office Facebook page, the Livingston Parish School Board Facebook page. LPPS supplies LPSO with updated information for them to post. Do not go off of comments posted on Facebook pages. Only the information posted directly by LPSO and LPPS is confirmed information.</p> <p>Ways to report threats of violence made to student(s) and/or school(s)</p> <p>First, we hope that you feel comfortable enough to report any concerns/threats directly to your school's principal or administrative staff. If this is not a feasible option, we now offer reporting via on-line or phone.</p>	<p>The link to on-line reporting is available on the LPPS website, but is also listed below: https://Lpsb-la.safeschoolsalert.com Or 833-697-1589</p> <p>When reporting via on-line or phone, the more information you can provide will help us effectively investigate this situation.</p> <p>Bus Accidents</p> <p>When a bus accident occurs, LPPS' first actions are to account and care for each student on board. When students are on the bus during an accident, it is a parish emergency response procedure that fire and ambulance services are sent to the scene. Students will be checked out and parents will be notified, but this notification may take time. If your student reports an injury, you will be contacted immediately from the scene. It is not necessary to come to the accident scene as we will have a bus transport them from the scene to their destination.</p>	<p>What can I do to plan ahead?</p> <p>The two most important things you as a parent can do are to make certain your child's school and bus driver has up-to-date emergency contact and check out card information. Also, review with your child those that are allowed to check them out when you are unavailable.</p> <p>Being prepared for emergencies is not only a requirement of the State, but is also taken very seriously by the staff and administration of Livingston Parish Public Schools.</p> <p>The purpose of this guide is to assist in answering some questions that parents frequently ask about crisis situations.</p> <p>When disaster strikes, the first consideration for every LPPS staff member is the safety of the children in our care.</p> <p>Questions about the information contained in this guide should be directed to your school's principal.</p> <p>LPPS P.O. BOX 1130 LIVINGSTON, LA 70754 (225) 686-7044</p>

Livingston Parish Public School System
Title I Family Engagement Policy
2024-2025

A Districtwide Family Advisory Council has been established in order to revise the current Livingston Parish Title I Parent and Family Engagement policy and expand the plan in accordance with the Every Student Succeeds Act (ESSA) of 2015, section 1112 of the Elementary and Secondary Act (ESEA). This council will meet regularly in order to coordinate and integrate family involvement, and evaluate the effectiveness of the policy. This policy will be made available to the local community and updated periodically to meet the changing needs of the families and the school. The ultimate goal is to ensure that all families within the district are provided the same opportunities for involvement in their child's education. The advisory council will also be informed of the process of the 1% of Title I, Part A funds reserved for family engagement. The Local Education Agency (LEA) will incorporate these ideas into the district-wide policy. If there are any unsatisfactory comments on the plan, these will be forwarded to the State Education Agency (SEA).

Under the direction and technical assistance of the Local Education Agency (LEA), each Title I school will have family members serve on the Schoolwide Committee, which will function to review the schoolwide plan and family activities for that school. This plan will be specific to the Title I school and will provide a means for families to become more involved in their child's education.

Consistent with section 1118 of the ESEA, an annual meeting will be held in each school in which family members will be given information about their school participation in the Title I program and related services, an explanation of the requirements of this participation and a school/family compact as required by section 1118(d) of the ESEA. Family members will also be informed of their right to parent-teacher conferences, regular reports on their children's progress, reasonable access to staff, opportunities to volunteer on campus, and to request information regarding the professional certifications of their student's classroom teachers. To the extent, which is practical, meetings will provide full opportunities for the participation of family members with limited English, members with disabilities and migrant parents following section 1111 of the ESEA. Information will be understandable and uniform.

One goal of this plan will be to improve communication between home and school through family/school compacts, newsletters, family-teacher conferences, handbooks, agendas, surveys, School Messenger recordings, electronic communications, such as: telephone calls, texts and emails, and school social media types of sharing information. It is important that family members respond to communications from the school in a timely manner and talk with their children about their classroom activities and behavior.

Another goal will be to provide information concerning the Every Student Succeeds Act (ESSA) of 2015, the State of Louisiana Accountability Law, the curriculum used at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet.

Title I schools will assist families with parenting skills, technology skills, and give assistance in helping with homework, projects, and other at-home activities. Families will be encouraged to take advantage of teacher conferences as a way of monitoring the progress of students. Schools will also provide opportunities for the local community to become more involved with families and with the school.

Family participation is essential to the success of the students. By monitoring the child's progress and working with educators to improve students' achievement, families provide a vital link between the school and the student. Students should know that their family values education and achievement and are available to help them to achieve their goals. Annually, each school will disseminate and collect family surveys to improve engagement. Results from the survey, if needed, will be used to revise family engagement policies at the school level.

It is Livingston Parish Public School System's goal to reach out to, communicate with and work with families as equal partners in our schools.

Lost or Damaged Workbooks, Textbooks, Computers, or Library Books

Encourage your child to take care of workbooks, textbooks, computers, and library books. It is the student's responsibility to keep them in good condition.

Students will have to pay for any lost or damaged workbooks, textbooks, computers, or library books. A new workbook, textbook, or computer will not be issued until payment is made. Students will not be allowed to check out library books until damaged library books are paid for or library books are returned.

Este Consejo se reunirá periódicamente con el fin de coordinar e integrar la participación de la familia y para evaluar la eficacia de la política. Esta política se pondrá a disposición de la comunidad local y será actualizada periódicamente para satisfacer las necesidades cambiantes de los padres y la escuela. El objetivo final es garantizar que todas las familias dentro del distrito sean proveídas de las mismas oportunidades de participación en la educación de sus hijos. El consejo asesor también será informado del proceso de los fondos del 1% del Título I, Parte A, Los Fondos Reservados para la Participación de los Padres-Familia. La LEA incorporará estas ideas dentro de la política de todo el distrito. Si hay algunos comentarios no satisfactorios en el plan, éstos se remitirán a la Agencia Estatal de Educación (State Education Agency/SEA, por sus siglas en inglés).

Bajo la dirección y la asistencia técnica de la Agencia Local de Educación, cada escuela Título I tendrá miembros de la familia sirviendo/ejerciendo en el Comité de la Escuela, que funcionará para revisar el plan de toda la escuela y las actividades de los padres de esa escuela. Este plan será específico a la escuela de Título I y proporcionará un medio para que padres-familia se involucren más en la educación de sus hijos.

Una reunión anual se llevará a cabo en cada escuela en la que se les dará a los padres información sobre la participación de su escuela en el programa Título I y los servicios relacionados, y una explicación de los requisitos de esta participación. Los miembros de la familia también serán informados de su derecho a las conferencias entre padres y maestros, informes periódicos sobre el progreso de sus hijos, el acceso razonable al personal, oportunidades para ser voluntario y participar en la clase de su hijo, y para solicitar información sobre los títulos profesionales de los maestros de sus hijos. En la medida de lo práctico, las reuniones de padres brindarán oportunidades para la participación de los miembros de la familia con inglés limitado, miembros de la familia con discapacidades y padres migrantes. La información será Comprensible y uniforme.

Uno de los objetivos de este plan será el de mejorar la comunicación entre el hogar y la escuela mediante acuerdos entre padres-familia/escuela, boletines informativos, conferencias entre padres y maestros, manuales, agendas, encuestas, mensajes vía School Messenger Phone System, comunicaciones electrónicas tales como: llamadas telefónicas, mensajes de texto y correos electrónicos y otros tipos de intercambio de información. Es importante que los padres respondan a las comunicaciones de la escuela de una manera oportuna y que hablen con sus hijos sobre sus actividades en el aula.

Otro objetivo será proporcionar información acerca del Every Student Succeeds Act (ESSA) of 2015, la Ley de Responsabilidad del Estado de Louisiana (State of Louisiana Accountability Law), el currículo usado en la escuela, las formas de evaluación académica utilizadas para medir el progreso del estudiante, y los niveles de competencia que se espera que los estudiantes cumplan.

Las escuelas Título I asistirán a las familias con las habilidades de crianza, habilidades tecnológicas, y darán asistencia para ayudar con las tareas, proyectos y otras actividades en el hogar. Los padres serán animados a tomar ventaja de las conferencias entre padres y maestros como una forma de monitorear el progreso de los estudiantes. Las escuelas también proporcionarán oportunidades para la comunidad local al involucrarse más con las familias y con la escuela.

La participación de familia es esencial para el éxito de los estudiantes. Al monitorear el progreso del niño/a y trabajar con los educadores para mejorar los logros de los estudiantes, los padres proporcionan un vínculo vital entre la escuela y el estudiante. Los estudiantes deben saber que sus de familia valoran la educación y los logros y están disponibles para ayudarles a alcanzar sus objetivos. Anualmente, cada escuela difundirá y recogerá encuestas de familia para aumentar la participación de la familia. Los resultados de la encuesta, si es necesario, se utilizarán para revisar las políticas de participación de familia en el ámbito escolar.

Es la meta del Sistema de Escuelas Públicas del Condado de Livingston (Livingston Parish Public School System) lograr.

Assistant Superintendent

Dear Parents,

The Livingston Parish School Board is pleased to inform you that optional Student Accident Insurance Coverage is available to you again this year. Multiple coverage options, plans and rates are available to allow for a coverage plan that best suits your needs. Policy information is available at www.BollingerSchools.com

If you already have coverage (personal healthcare coverage) for those injuries and/or claims contemplated by the plans offered under the Student Accident Insurance Coverage policy noted above, your existing coverage will likely provide primary coverage for associated claims. The above noted Student Accident Insurance Coverage policy, if selected, would likely provide secondary coverage for associated claims, if you already have personal healthcare coverage. **A failure to secure either personal coverage or the coverage outlined in the attached could result in an absence of coverage for injuries sustained by your child.**

Tratamiento y Medicamentos (Medication): Si su hijo(a) necesita tomar medicamentos para enfermedades crónicas en la escuela, comuníquese con la **enfermera de la escuela**. La ley estatal requiere que el médico y los padres completen un *formulario de administración de medicamentos*. Esto incluye medicamentos recetados y de venta libre. Si a un estudiante se le receta un medicamento nuevo, debe permanecer en casa durante 12 horas después de la primera dosis que se debe observar para detectar reacciones adversas. Los padres se les permite venir con los medicamentos a la escuela y administrarlos a sus hijos. Si los padres no pueden venir, pueden enviar el medicamento con alguien que se encuentre en la tarjeta de contacto de su hijo(a). Si el padre o alguien en la tarjeta de contacto no puede venir, entonces el padre puede enviar a un adulto que no se encuentre en la tarjeta de contacto. La escuela requerirá un consentimiento escrito o verbal del padre si el adulto no está en la tarjeta de contacto y se verificará con una identificación (ID).

Inmunizaciones (Immunizations): Estatuto de la ley del estado de Louisiana LA R.S. 17; 170

Los estudiantes que ingresen a la escuela por primera vez deberán presentar un registro de vacunación completo y actualizado.

A partir del año escolar 2023-2024, LDH observará el requisito de ingreso escolar existente de que los estudiantes se vacunen con al menos 2 dosis de la vacuna contra la hepatitis A, antes de ingresar al Kinder o cualquier grado posterior.

Todos los estudiantes que tienen 11 años deben recibir un refuerzo Tdap, la vacuna contra la meningitis y una segunda varicela (Chickenpox). Los estudiantes que tienen 16 años de edad deben tener una **segunda** vacuna contra la meningitis. Los padres de estudiantes que no pueden recibir sus vacunas debido a razones médicas, religiosas o personales deben presentar una *carta de desacuerdo por escrito*. Esta carta se puede encontrar en los sitios web LDOE y LPPS.

Los estudiantes que no hayan recibido las vacunas adecuadas no podrán asistir a la escuela si hay un brote de una enfermedad contagiosa en la escuela (varicela, sarampión (Measles), tosferina (Pertussis), etc.). La ley estatal debe excluir a estos estudiantes del entorno escolar durante el período de incubación de la enfermedad. Estas ausencias no pueden ser excusadas.

Visión / audición (Vision/Hearing): la visión y la audición del estudiante son evaluadas por la enfermera de la escuela en Pre-K, Kinder, 1^{er}, 3^{er}, 5^{to}, 7^{mo} y 9^{no} grado y da los resultados a los padres y maestros. Si se detecta un problema, se enviarán notas a los padres para remitirlas a su médico para una evaluación más completa.

Escoliosis (Scoliosis): los estudiantes son evaluados en sexto grado para determinar la curvatura de la columna. Si se ven signos, los estudiantes serán enviados a casa con una carta que los refiera a su médico para una evaluación más completa.

Condiciones Médicas (Medical Conditions): si su hijo(a) tiene una condición médica crónica, comuníquese con la enfermera de la escuela **anualmente**. Algunos ejemplos de afecciones médicas crónicas son convulsiones / epilepsia, diabetes, asma, enfermedad celiaca, reacciones alérgicas graves a insectos o alimentos que requieren el uso de un Epi-pen o Benadryl durante el día escolar. Se requiere un formulario de **ORDEN DE DIETA ESPECIAL** **anualmente** de un médico si su hijo(a) tiene alergias alimentarias específicas.

Post-Cirugía u Hospitalización (Post-Surgery or Hospitalization): Si su hijo(a) está hospitalizado o se somete a una cirugía, debe regresar con una nota del médico que le permita regresar a la escuela. Cualquier restricción debe anotarse en el formulario de regreso a la escuela.

Si tiene alguna pregunta o inquietud, puede llamar a Jennifer Wilkinson, coordinadora de enfermería de la escuela RN al (225) 686-4368 o comunicarse con la enfermera de la escuela de su hijo(a).

Para que se brinde la atención adecuada en la escuela, es responsabilidad de los padres notificar a la enfermera de la escuela sobre cualquier condición médica o necesidad que pueda tener su hijo(a); incluyendo cualquier cambio en sus condiciones médicas durante el año escolar.

The following guidelines are offered to help you determine when your child should not attend school. Please consider carefully a child's statement of feeling ill.

Diarrhea/vomiting: Students who are vomiting or having diarrhea (2 or more watery stools) will be sent home from school. They will not be allowed to return until they are symptom free for 24 hours from the onset of symptoms. Children should be kept home if they were vomiting or experienced diarrhea during the night.

Fever: Students who have a fever of 100.0 F or higher will be sent home. Students will be readmitted after they have been fever free for 24 hours without the use of fever reducing medications. (Ex: Tylenol, Motrin, or Advil).

Cold/flu: Students with severe colds, sore throats, cough or "flu like" symptoms will not be allowed to stay at school. They should stay home for rest and proper attention to their symptoms.

Pink Eye: Symptoms of pink eye such as eye drainage, crusty eyelids, redness on the white part of the eyes, swelling, and itching may indicate pink eye, which is a contagious disease. Children with these symptoms will be sent home and should be seen by a doctor for a diagnosis. A doctor's excuse will be required to return to school. If diagnosed with pink eye, the student must be on treatment for at least 24 hours before he can return to school. Some conjunctivitis may require the student remain at home until all symptoms are resolved.

Rash/Lesions: A student with an undiagnosed rash or lesion will not be allowed to stay at school. Skin rashes or lesions will be considered possibly contagious. Child may return to school after rash is determined to be non-contagious by a physician or to be no longer contagious after proper treatment. Students may return with a note from the Physician's office.

Boils: Students with boils must be seen by a physician. If it is a staph infection, they must remain home for 24 hours after starting antibiotics. A physician's note will be required for them to return to school. The boil must be covered. If the boil is draining, extra clothes and bandages should be sent with the student in case the bandage becomes saturated or if the clothes get wet.

Lice: A student's hair must be free of nits and bugs in order to remain at school. The student will be readmitted to school after the parent has treated the child and **all nits and bugs** are removed. After successful treatment, **the parent will need to bring the student to the office to be rechecked for lice by school personnel before being allowed to stay at school.** *It is recommended that parents check their child on a regular basis for signs of head lice.*

Medication: If your child needs to take medications for chronic conditions at school please contact your **school nurse**. State law requires a *medication administration form* to be completed by the physician and parent. This includes prescription and over-the-counter medications. If a student is prescribed a new medication, they must remain at home for 12 hours after the first dose to be observed for adverse reactions. Parents are allowed to bring medications to the school and administer them to their child. If Parents cannot come, they may send the medication with someone listed on the child's contact card. If the parent or someone on the contact card cannot come then the parent may send an adult not listed on the contact card. The school will require a written or verbal consent from the parent if the adult is not on the contact card and an ID will be checked.

Immunizations: Louisiana State Law Statute LA R.S. 17; 170

Students entering school for the first time shall present a completed or up to date immunization record.

Beginning with the 2023-2024 school year, LDH will be observing the existing school entry requirement that students be vaccinated with at least 2 doses of Hepatitis A vaccine before entering Kindergarten, or any grade thereafter.

All students that are 11 years old must have a Tdap Booster, Meningitis vaccine, and a second varicella (chickenpox). Students that are 16 years of age must have a **second** meningitis immunization.

Parents of students that are unable to receive their immunizations due to medical, religious, or personal reasons must submit a written *letter of dissent*. This letter can be found on the LDOE and LPPS websites.

Students that have not received proper immunizations may not be allowed to come to school if there is an outbreak of a communicable disease at school (Chickenpox, Measles, Pertussis, etc.). State law must exclude these students from the school setting, for the incubation period of the disease. These absences may not be excused.

Vision/Hearing: Student's vision and hearing are screened by the school nurse in Pre-K, Kindergarten, 1st, 3rd, 5th, 7th & 9th grades and from parent or teacher referrals. If a problem is detected, notes will be sent home to the parent referring them to their physician for a more complete evaluation.

Scoliosis: Students are screened in 6th grade for curvature of the spine. If signs are seen, students will be sent home with a letter referring them to their physician for a more complete evaluation.

Medical Conditions: If your child has a chronic medical condition, contact the school nurse **annually**. Some examples of chronic medical conditions are Seizures/Epilepsy, diabetes, asthma, celiac disease, severe allergic reactions to insects or food that require use of an Epi-pen or Benadryl during the school day. A **SPECIAL DIET ORDER** form is required **annually** from a physician if your child has specific food allergies.

Post- Surgery or Hospitalization: If your child is hospitalized or has surgery, he/she must return with a note from the Physician allowing him/her to return to school. Any restrictions must be noted on the return to school form.

If you have any questions or concerns, you may call Jennifer Wilkinson, RN School Nurse Coordinator at (225)686-4368 or contact the school nurse at your child's school.

In order for proper care to be provided at school, it is the parent's responsibility to notify the school nurse with any medical conditions or needs your child may have; including any changes to their medical conditions during the school year.

Las siguientes pautas se ofrecen para ayudarlo a determinar cuándo su hijo(a) no debe asistir a la escuela. Por favor considere cuidadosamente la condición de su hijo(a) al sentirse enfermo.

Diarrea/vómitos (Diarrhea/Vomiting): Los estudiantes que estén vomitando o tengan diarrea (2 o más heces acuosas) serán enviados a casa desde la escuela. No se les permitirá regresar hasta que estén libres de síntomas durante 24 horas desde el inicio de los síntomas. Los niños deben mantenerse en casa si vomitan o experimentan diarrea durante la noche.

Fiebre (Fever): Los estudiantes que tengan temperaturas de 100.0 °F (38 °C) o más serán enviados a casa por fiebre. Los estudiantes serán readmitidos después de que hayan estado sin fiebre durante 24 horas sin el uso de medicamentos para reducir la fiebre. (Ejemplo: Tylenol, Motrin o Advil).

Resfriado/Gripe (Cold/flu): Los estudiantes con resfriados severos, dolor de garganta, tos o síntomas similares a los de la gripe no podrán quedarse ni asistir a la escuela. Deben quedarse en casa para descansar y prestar atención adecuada a sus síntomas.

Conjuntivitis (Pink Eye): Los síntomas de conjuntivitis, como drenaje ocular, párpados y lagañas en los ojos, enrojecimiento en la parte blanca de los ojos, hinchazón y picazón pueden indicar conjuntivitis, que es una enfermedad contagiosa. Los niños con estos síntomas serán enviados a casa y deben ser vistos por un médico para un diagnóstico. Se requerirá una excusa del médico para regresar a la escuela. Si se le diagnostica conjuntivitis, el estudiante debe estar en tratamiento durante al menos 24 horas antes de poder regresar a la escuela. Algunas conjuntivitis pueden requerir que el estudiante se quede en casa hasta que desaparezcan todos los síntomas.

Sarpullido/Lesiones (Rash/Lesions): Un estudiante con una erupción o lesión no diagnosticada no podrá quedarse en la escuela. Las erupciones o lesiones cutáneas se considerarán posiblemente contagiosas. El estudiante puede regresar a la escuela después de que un médico determine que la erupción no es contagiosa o que ya no es contagiosa después del tratamiento adecuado. Los estudiantes pueden regresar con una nota de la oficina del médico.

Forúnculos (Boils): Los estudiantes con **forúnculos** o nacidos deben ser vistos por un médico. Si se trata de una infección por estafilococos, deben permanecer en casa durante 24 horas después de comenzar a tomar antibióticos. Se requerirá una nota del médico para que puedan regresar a la escuela. El forúnculo debe estar cubierto y si está drenando, se debe enviar ropa y vendas adicionales con el estudiante en caso de que la venda se sature o si la ropa se moja.

Piojos (Lice): EL cabello de un estudiante debe estar libre de liendres y bichos para poder permanecer en la escuela. El estudiante será readmitido a la escuela después de que el padre haya tratado a su hijo(a) y se hayan eliminado todas las **liendres y bichos**. Después de un tratamiento exitoso, **el padre deberá traer al estudiante a la oficina para que el personal de la escuela lo revise nuevamente en busca de piojos antes de que se le permita quedarse en la escuela. Se recomienda que los padres revisen regularmente a sus hijos para detectar signos de piojos.**
